Part X, Line 2:

Accounting principles generally accepted in the United States of America require that a liability be recorded for uncertain tax positions taken, if it is determined that the tax position would more-likely-than-not be denied upon examination by taxing authorities. Management of the Organization has analyzed the tax positions taken in its filings with the Federal Government and State of New Jersey, and concluded that no tax positions have been taken that would not be sustained upon examination. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties, for uncertain tax positions at December 31, 2023 and 2022.

Part XIII Supplemental Information (continued)

The Organization's policy is to classify income tax related interest and penalties, if incurred, in interest expense and miscellaneous expense, respectively.

The Organization's federal exempt returns are subject to examination by the IRS, generally for three years after they were filed. The Organization's state informational returns are subject to examination up to four years after they were filed. The statute of limitations does not apply to unfiled returns. The Organization believes that all required returns have been filed.
